[D] Let me [Bm] tell you about a [G] girl I [A7] know,

[D] She's my [Bm] baby and I [G] love her [A] so.

[D stop] Every morning when the [D7 stop] sun comes up,

[G stop] She brings me coffee in my [E7] favourite cup.

That's why I [D] know, yes, I [B7] know,

**Halle[E7]lujah I just [A] love her [D] so.** (All sing)

[D] When I'm in [Bm] trouble and I [G] have no [A7] friends,

[D] She'll stick with [Bm] me right un[G]til the [A] end.

[D stop] People ask me [D7 stop] how I know,

[G stop] She smiles and says she [E7] told me so,

That's why I [D] know, yes, I [B7] know,

**Halle[E7]lujah I just [A] love her [D] so.** (All sing)

[G] When I call her on the [E7] telephone,

and [D] I say baby, I'm [D7] all alone.

[G] By the time I count from [E7] one to four,

She'll be [A stop] knocking (*tap tap tap tap*) [A7] on my door.

[D] In the [Bm] evening when the [G] sun goes [A7] down,

[D] And there [Bm] ain't nobody [G] else a[A7]round.

[D stop] She kisses me and she [D7 stop] holds me tight,

[G stop] She says, baby, every[E7]thing's alright.

That's why I [D] know, that's [B7] why I know,

**Halle[E7]lujah I just [A] love her [D] so.** (All sing)
