D                          Am            C            G                   D
It don’t come easy, you know it don’t come easy
D                          Am            C            G                  D
It don’t come easy, you know it don’t come easy
D                Am            C            G                   D
Got to pay your dues, if you wanna sing the blues,
       C                                  D
and you know it don’t come easy.
D                Am
You don’t have to shout, or leap about,
       C                          D
You can’t even play them easy.
          F                                                      G
For-get about the past and all your sorrow,
          F                                         A                          A7
The future won’t last, it will soon be your to-morrow.
D                Am
I don’t ask for much, I only want your trust,
       C                                D
and you know it don’t come easy.
D                Am
And this love of mine keeps growing all the time,
       C                          D
and you know it just ain’t easy.
          F                                                   G
Open up your heart, let’s come to-gether,
          F                                                A                             A7
Use a little love and we will make it work out better.

Aah____   It don’t come easy
Got to pay your dues, if you wanna sing the blues,
and you know it don’t come easy.
You don’t have to shout, or leap about,
You can’t even play them easy.

Peace, remember peace is how we make it,
Here within your reach, if you’re big enough to take it.
